OFFICIAL NOTICE OF 21 DAY SUSPENSION OF LICENSE 35-A-0405

Dear Mr. Yutzy:

I write to notify you that your license (35-A-0405) under the Animal Welfare Act (7 U.S.C. § 2131 et seq.) (AWA or Act) is hereby suspended for a period of 21 days effective upon receipt of this letter, pursuant to section 2149(a) of the Act.

We are taking this action because we have reason to believe that you have willfully violated sections 2.40(b)(3) and 2.50 of the regulations issued under the AWA (9 C.F.R. Part 2) (Regulations), and failed to meet the minimum standards for animals (9 C.F.R. Part 3) (Standards), specifically, sections 3.11(a) and 3.13(a)(2).

Our evidence shows that on or about January 28, 2026, you failed to

- conduct daily observations of all animals to assess their health and well-being and ensure problems of animal health, behavior, and well-being are conveyed to the attending veterinarian, 9 C.F.R. § 2.40(b)(3);
- ensure all dogs on the premises are identified by an official tag or other approved method, 9 C.F.R. § 2.50;
- remove excreta from primary enclosures daily to prevent an excessive accumulation of feces and food waste, 9 C.F.R. § 3.11(a); and
- follow a program of veterinary care for dogs that includes a complete physical examination of each dog by the attending veterinarian not less than once every 12 months, 9 C.F.R. § 3.13(a)(2).

If you wish to appeal this suspension of your license, you may apply to the Deputy Administrator, in writing, with justification for reinstatement of your license prior to the conclusion of the 21-day suspension. 9 C.F.R. § 2.10(a). You should submit your appeal via email to ac.cas.mailbox@usda.gov, or by mail to:

USDA APHIS Animal Care

During your suspension period, you are prohibited from buying, selling, transporting, exhibiting, or delivering for transportation, any AWA-regulated animal. 9 C.F.R. § 2.10(c). This prohibition applies to you, and to any employee, agent, or other person, acting on your behalf.
